

## Author Statement

### For all submissions:

We the undersigned qualify as authors to this manuscript as described in the journal Publication Ethics policy and certify that nobody who qualifies for authorship has been excluded. We agree to its submission to AMSRJ, and if accepted, to its publication in this journal. We certify that this article is original, does not infringe on any copyright, and has not been previously published or under consideration for publication elsewhere. We agree to not submit this article for publication elsewhere while under consideration for publication in AMSRJ.

Ethical approval has been obtained as necessary and all conflicts of interests have been disclosed. If any breach of consent and/or violation of medical legal practices are committed, I take full responsibility for the fault. Furthermore, I assume all legal responsibility for any infractions regarding the information being published by the American Medical Research Journal on my behalf.

We hereby transfer, assign, or otherwise convey all copyright ownership of the manuscript in its entirety, figures, tables, pictures, and supporting documents, including any rights incidental thereto, exclusively to the AMSRJ, in the event that our manuscript is published by the AMSRJ.
